## Prologue

- Many aspirants have doubts regarding what to fill up in “Preference order” for the SSC-CGL job application?
- So, following information should help you get some idea.
- Please note: I’ve not written this article all by myself. Most of this stuff is cypasted from the inputs given by some serving officers and pagalguy members, including cs1180, prince1 and others.
- **If you want to add update /correction / elaboration regarding these jobs, please do post your inputs in comments at the bottom of this article.**

First thing you must decide: Do you want a...

## Desk job or Field job?

Desk job	Field job
<ul style="list-style-type: none"> <li>• Assistants, Auditors, Accountants, Tax-assistants, upper division clerks.</li> </ul>	<ul style="list-style-type: none"> <li>• Inspectors (income tax, excise, preventive officers, examiners), CBI, narcotics etc.</li> </ul>
<ul style="list-style-type: none"> <li>• No physical standard (height, chest, weight)</li> </ul>	<ul style="list-style-type: none"> <li>• In some of these jobs: Physical standards required. (given on page 20 of notification) <a href="#">click me</a> to see SSC CGL 2013-notification.</li> </ul>
<ul style="list-style-type: none"> <li>• The working hours of desk job are “fixed”. (in most cases, except Assistant (cypher).</li> <li>• It’s like office to home, home to office.</li> <li>• So if your ultimate aim is preparing for some other exam (UPSC/CAT etc) then these are the “right” jobs because of the “City –posting” (Delhi or some State HQ).</li> </ul>	<ul style="list-style-type: none"> <li>• Field jobs involve travelling, carrying out raids, inspections, surveillance etc.</li> <li>• Sometimes you might need to work in non-office hours or even Sundays.</li> </ul>
<ul style="list-style-type: none"> <li>• Less than field job (at the initial level).</li> </ul>	<ul style="list-style-type: none"> <li>• Social status, nuisance power of field job is higher compared of desk job.</li> <li>• I mean, in terms of impressing your parents, siblings, friends, college-batchmates, relatives in your village and girlfriend and her parents.</li> </ul>
<ul style="list-style-type: none"> <li>• Peace of mind.</li> <li>• Office-to-home, home-to-office.</li> </ul>	<ul style="list-style-type: none"> <li>• (some of these) Jobs involve stress, dealing with informants, power-brokers, pressure-tactics, backstabbing bastards</li> </ul>

<ul style="list-style-type: none"> <li>• Hardly any transfers. (except MEA assistant)</li> <li>• comfortable for family and social life.</li> </ul>	<ul style="list-style-type: none"> <li>• (within your department).</li> <li>• Almost all of these jobs involve transfer from one city to another.</li> <li>• Therefore family/social life=little bit of trouble.</li> </ul>
<ul style="list-style-type: none"> <li>• No uniform</li> <li>• No weapons.</li> <li>• No adventure.</li> </ul>	<ul style="list-style-type: none"> <li>• Includes uniform (some jobs), weapons training</li> <li>• Some adventure (raids etc) although nothing very “dangerous”. (For <i>Dangerous</i> stuff you’ve to apply for CDS or CAPF).</li> </ul>

- So first decide-what do you want: Desk job or Field job?
- Second Question: do you want to permanently shift to Delhi or not? Because If you don’t want to shift to Delhi, then job of Assistant in CSS and various Central Ministries=useless for you.
- Similarly, if you don’t want to leave India, then MEA assistant =useless.

Now, we’ll see the Desk jobs, and in the later part of the article, we’ll see the Field jobs.

## Assistants

They’re of two types

1. Central Secretariat services (CSS)	2. Other than CSS (e.g. Assistant in railways, Election Commission, coast guard etc.)
---------------------------------------	---

## Assistants: Promotion opportunities

1. Assistant (you join here)
2. Section Officer (Group B Gazetted). To become SO, you have to pass departmental test, conducted by UPSC. If you don’t pass exam, you get promotion very late (after 10-12 years).
3. Under Secretary
4. Deputy Secretary

## 5. Joint Secretary.

### CSS (Assistant in Central Secretariat Service)

Job code	Name	Salary
A	Assistant in Central Secretariat Service (CSS)	Pay Band –II f 9300-34800GP 4600

### Assistant (CSS): Work Profile

- Work=files, files and files and then more files.
- But 3 hrs of work daily: from answering RTI of people to Cabinet note making to answering parliament questions to working on daily receipts
- It is like you're given the project, and you made the dealing hand. Now report the problem in short about the project and tell your recommendations on what can be done.
- If your seniors like they will accept it or else they will tell their own decisions etc=this is CSS work.

### Promotion speed: CSS vs other Assistants

- In CSS, the promotion from Assistant to Section Officer, you have vacancies like 200 , 250 etc
- In other places like MEA or railways you'll have 5 ,10 etc.so promotions are faster in CSS.

### Work diversity: CSS vs Other assistants

- If you become Assistant in say Railways, then you're stuck in Railways forever.
- But CSS offers you wider variety of postings like in Ministry of consumer affairs, home, finance, education, civil aviation, law etc.
- Therefore, your scope and work-diversity is huge. (just like an IAS officer).

### CSS vs Inspectors (Income Tax, Excise etc)

CSS (Desk Job)	Income Tax/Excise inspectors
Desk job	Field job.
Low	Work Pressure / stress is high
Good for preparing UPSC (because you're in Delhi,	Less.

the Mecca of UPSC preparation)	
Low	You can earn more (via bribes), <b>provided that</b> you know your job, duties well, otherwise people (your own colleges and bosses) will stab you in the back and you'll be suspended hahaha.
For those who want to enjoy family and social life, peace of mind, and are not obsessed with money.	Promotion, name, fame, money (but comes at the cost of social life)
Permanent posting in Delhi until you retire.	Transfers, deputation, field posting.
Once you get promoted to Under Secretary, you get free air-tickets during travel.	Not applicable. But you get free petrol, free mobile card etc in some jobs.

- So it should be clear to you that in Desk job: first preference = CSS (Job application code "A").

## Assistant in MEA: Work Profile

- It is one of the most sought Assistant post under SSC-CGL.
- Why? Because charm of foreign posting and many other lucrative facilities like children's education, accommodation etc and a very handsome salary of more than 1 lakh per month (perhaps upto Rs 1,25,000).
- But here is the problem: in the foreign countries, the cost of living, is also high!
- For example \$1500 is big amount when converted in Indian Rupees, but inside America, you can buy very few things.
- And one can be posted in countries like Afghanistan, Pakistan, Irak, Libya too.
- but nothing to fear on this count as while sending one to an other country on posting he is given a few choices for the needed postings and he is posted according to those choices preferably. If one chooses any of the countries mentioned he is given 50% more salary and his tenure there is counted as DOUBLE; means he has to serve there for one and a half year which is counted equal to three years.
- Let's do comparison of these two assistants under MEA (Ministry of External affairs)

## MEA: General vs Cypher Assistant (Difference)

MEA Assistant (General)	MEA Assistant (Cypher)
SSC-CGL-2013 job Application code "E"	Code "F"
<ul style="list-style-type: none"> <li>General filing-reporting type work.</li> </ul>	<ul style="list-style-type: none"> <li>They have to do the task of coding and decoding in addition of some highly confidential language.</li> </ul>
<ul style="list-style-type: none"> <li>Less</li> </ul>	<ul style="list-style-type: none"> <li>Cypher Asst got more foreign posting than general Asst</li> </ul>
<ul style="list-style-type: none"> <li>Assistant (General) is supposed to be posted generally 3 years in India and 3 years in foreign; and like this throughout his tenure of service</li> </ul>	<ul style="list-style-type: none"> <li>whereas an Assistant (Cypher) is posted 3 years in India and 6 years in foreign; and like this</li> </ul>
<ul style="list-style-type: none"> <li>promotional avenues are better in General Asst. You can go upto level of Under Secretary.</li> </ul>	<ul style="list-style-type: none"> <li>Less chance.</li> </ul>
<ul style="list-style-type: none"> <li>No night shifts.</li> </ul>	<ul style="list-style-type: none"> <li>Cypher has night shifts because of time-zone difference between India and foreign country</li> <li>And it's like u have to work for 6 days and then 2 days off. And 2 days will be night shift.</li> </ul>

- One can get his first promotion after about 15-17 years if he will not clear departmental examination and after clearing departmental examination, it will take around 8 odd years.
- Verdict:** if you originally wanted to be an IFS officer, but it did not work out, then perhaps this is the job you should try for.
- If you want to permanently stay in India, then don't tick these job-codes

(application code “E and F”)

## Assistant in Railways

- Job Code is “D”
- Assistant in railways: good job ,you’ll get 1 pass for family ( to and fro) anywhere in India free and 3 passes for family (to and fro) in which u pay 1/3rd of amount
- all this for tier 2 AC ticket..then railway has its own railway homes all over India ..so you can stay there at a very cheap rate, if you using railway passes!

Railways	CSS
Always in Railways.	Posting in variety of department and ministries= life is not monotonous.
Posting in various cities/regional HQ for example Lucknow.	Always in Delhi till he retires.

## Assistants: remaining

Job code	Name
B	Assistant Central Vigilance Commission
C	Assistant Intelligence Bureau
G	Armed forces Headquarters
H	Other Ministries/ Departments/Organisations (Grade pay 4600)
I	Other Ministries/ Departments/Organisations but grade pay is 4200.

- Please note: these may or may not involve Permanent Delhi posting.
- For example, Other organization >> Election Commission =always in Delhi.
- But other organization >> Coast guard=sometimes in Chennai (Eastern command) and sometimes Kolkata (North Eastern Command).
- To sumup, if you want “assistant” job, select A to I job codes first. But Internal choice (A,E,F... or E,F,A.. or whatever) that is as per your career-interest.

- The rest of the candidates in that category have been assigned the department with left over vacancies.
- The same criteria have been used to allocate department of C&AG and CGA to the candidates selected for Jr. Accountants/Accountants.

- Promotion wise, CBDT (direct tax) is far better than CBEC.
- Both of these are transferable jobs. when you become a senior, you are automatically transferred to your home town for convenience.

Ok this concludes discussion on “Desk Jobs”.

Now moving to Field jobs: Inspectors in Income Tax, Excise, CBI, Narcotics etc.

## Field jobs: (Inspectors)

- I classify them under : Tax and Non-Tax
- Tax means Direct (Income tax) and indirect tax.(customs and Excise)
- Non tax means: CBI, narcotics and postal Department.

Let's start with Tax inspectors

## Tax authorities: CBDT vs CBEC

First understand the difference

	<ul style="list-style-type: none"> <li>• Levied on your income and property.</li> </ul>
--	---

Direct tax	<ul style="list-style-type: none"> <li>Income tax, corporate tax, capital gains tax are examples of Direct tax.</li> <li>Central Board of Direct Taxes (CBDT) deals with it.</li> </ul>
Indirect tax	<ul style="list-style-type: none"> <li>Levied on goods and services.</li> <li>Service tax, custom-excise are examples of Indirect tax.</li> <li>Central Board of Excise duty (CBEC) deals with it.</li> <li>Note: Sales tax is also an indirect tax, but State Governments look after it.</li> </ul>

## Inspectors: Income Tax, Excise, Customs, Examiner

Organization	Direct tax (CBDT)	Indirect Tax (CBEC)		
Inspector	Income Tax Inspector	Excise inspector	Preventive officer (Custom officer)	Examiner
Application Job code	J	K	L	M
Group	C	B	B	B
Salary	Pay Band –II f 9300-34800 GP: 4600			
Physical test	NO	Yes	Yes	Yes
Uniform	No	Yes (Khakhi) but optional.	Yes (White) Always have to wear.	NO
First promotion: Group B Gazetted*	Income Tax officer (ITO)	Superintendent	Superintendent of Customs	Appraiser
2 <sup>nd</sup> Promotion Group A*(IRS)	Assistant Commissioner	Assistant Commissioner	Assistant commissioner	Assistant commissioner
subsequent promotions:	Deputy Commissioner. then Joint Commissioner > Addl. Commissioner > Commissioner	Deputy Commissioner	Superintendent of Customs	Deputy Commissioner then Joint Commissioner > Addl. Commissioner > Commissioner

## \*notes on promotion

1. You've to pass departmental exam to get promotion but it is for "screening", otherwise promotion is actually given based on your zonal seniority.
2. In Income Tax and Excise, initial years= you get posting only in the given zone. But once you get the "group-A" promotion that is Assistant Commissioner= you can be posted *all india*.
3. Because those Group A jobs are just same like direct recruitment via UPSC civil service exam.
4. According to All India Association of Central Excise Officers, the people joining in Income tax (CBDT) and Examiner (CBEC) get more promotions (6-7!) while Excise inspectors get barely 1-2 promotions, despite joining in the same year.
5. Qualification for an ITI to get promoted to ITO is 3 years, though seniority also plays a major role in promotions. So basically it takes atleast 4-6 years to get promoted to ITO(considering the fact that one clears departmental exam in time), depending on the zone. (input by **Rahul**, CGL 2010).

Now let's check the work profile of individual inspectors under Tax authorities

## Income Tax Inspector:Work Profile

He can be posted in one of the following two areas (transferable on cyclic basis)

Assessment of tax	Non assessment
<ul style="list-style-type: none"> <li>• He has to do assessment of income tax to be imposed on an individual, partnership firm, company etc;</li> <li>• He has and refund of it in case someone has deposited in excess.</li> <li>• He also has to see the work related to TAX DEDUCTION AT SOURCE (TDS) besides being accompanying a raid team.</li> </ul>	<ul style="list-style-type: none"> <li>• An Income tax Inspector on non-assessment seat generally has to do clerical work though he too could be asked to accompany a raid team.</li> </ul>

- |                                    |       |
|------------------------------------|-------|

|------------------------------------|-------|

- He is entitled for 30 liter of petrol if posted on assessment seat.

## Postal inspector

- Well this doesn't *really* count as "field job" because Field job=social status and nuisance power- unfortunately postal inspector gets neither.

Job code	Name	Pay
O	Inspector of Posts (group B)	Pay Band –II f 9300-34800, GP-4200

- Inspector of posts is there with every postal division.
- There must be 2 or more divisions in district.
- Presently the Postal inspector must go to canvass people for getting Postal Life Insurance and also they have to acquire a huge sum for the department.
- The Department of Posts has given instructions to all circles to enhance their growth by 20 percent- All such burden comes on Postal inspector.
